“Terrorists Will Nuke New York City!”

Says The Lord God Almighty - Collected Intelligence and Serious Prophetic Warnings

Terrified at her torment, they will stand far off and cry: “Woe! Woe to you, great city, you mighty city of Babylon! In one hour your doom has come!” Then a mighty angel picked up a boulder the size of a large millstone and threw it into the sea, and said: “With such violence the great city of Babylon will be thrown down, never to be found again.” Holy Bible, Revelation 18:10, 21

PROPHECY- God's Wrath and Judgment Against The U.S. Intelligence Agencies
given through Brian Charles

"I'M gonna destroy it." --the CIA

"...and the NSA too."

"I know EVERY secret thing that is going on!"

"All the intelligence agencies will be gone by My hand, you can count on it!" "They have disobeyed Me long enough!"

"All intelligence agencies will be destroyed by My hand. You can count on it! They have disobeyed Me long enough! They have destroyed long enough. They must be punished. Thus says the Lord of hosts. Amen"

"I'll destroy the CIA." "...and the NSA too."

"I AM going to destroy this country mightily!"

"I AM the limitless God!"

"Laugh at the occultists!"

"I'll destroy your empire."

"I shall judge for that!" --for sinners living their lives like God doesn't exist

"So do not be afraid of them, for there is nothing concealed that will not be disclosed, or hidden that will not be made known. What I tell you in the dark, speak in the daylight; what is whispered in your ear, proclaim from the roofs." Holy Bible, Matthew 10:26-27

**"He thwarts the plans of the crafty, so that their hands achieve no success."
Job 5:12**

For it is written: "I will destroy the wisdom of the wise; the intelligence of the intelligent I will frustrate." 1 Corinthians 1:19

"Therefore once more I will astound these people with wonder upon wonder; the wisdom of the wise will perish, the intelligence of the intelligent will vanish. " Isaiah 29:14

"To the faithful you show yourself faithful, to the blameless you show yourself blameless, to the pure you show yourself pure, but to the devious you show yourself shrewd. You save the humble, but your eyes are on the haughty to bring them low." 2 Samuel 22:26-28

PROPHETIC JUDGMENT OF THE ILLUMINATI-MASONS AND BABYLON

given through Elaine Cook

A Hidden Agenda: “Babylon, at its inception, had as its goal, to rule in both earth and heaven. Now that it has grown to its fullness, we see that evil men behind the ruling powers of the earth are working feverishly to make a complete take-over of the earth in the form of a “one-world government.’ That is their agenda.

“These have not reckoned on a Living God who controls all the earth and all that is in it. I also have an agenda which I declared from the creation of mankind. Is it not that I have created man for My glory and My purpose is to make him like Myself! No man can cancel out or put aside My agenda, for it alone shall stand in this day. I shall break in pieces the plans of men and their counsel shall not stand! I am the Lord and My purposes shall stand. My Word can never return unto Me void.

“**The days of awe have come** when I shall intervene in the hidden agendas of evil men and show forth their smallness and their weakness before Me. It is the time for Babylon to fall and great shall be the fall thereof. Mourn not for her but rejoice that My plan is now coming forth and man’s plan is finished and has come to naught.

“Rejoice in this: that I am the Lord and there is no god beside Me. I speak and it is done. All men shall fear Me, for I am their Creator and My Word is established in the heavens and it shall be done in all the earth.”

Psalm 33:8, “Let all the earth fear the Lord: let all the inhabitants of the world stand in awe of Him.”

Babylon is Judged: “I am preparing the answer to the problem *before* the problem appears in all its fullness. That little stone cut out of the mountain is the *cause* of Babylon’s fall. It is not a people prepared *because of her fall*, but it is because of their preparation that Babylon can no longer stand! (Daniel 2:44-45).

“Because My sons stand in My righteousness in the earth, bearing My word and My righteous judgments in their mouths, Babylon’s time has come and the judgment of the great whore has come—she who captivated the whole world through her sorceries shall fall and not rise again and great shall be the fall thereof.

“All mighty works done in the earth originate in the heavens, and mighty edicts and proclamations are being made in the heavenly realm in this day, for it is the Day of the Lord when Babylon’s judgment is upon her.

“The people are being lulled into believing in a “*recovery*” from her illness, but there shall be a *death*, not a recovery! Babylon shall fall and not rise again and great shall be the fall thereof. My kingdom, which has been hidden, shall suddenly appear and shall be greeted with both joy and fear—joy to the simple who look for a better way, and fear to those who will lose their own wicked way. Your eyes shall see it and rejoice and I will be magnified in your eyes and My awe shall be upon all My people who understand what I am doing in this Day.

“Walk closely to Me. Fear not, but magnify Me in the fires!”

His Finest Hour: “Men will say of one who has wrought a mighty work in the earth: *‘This was his finest hour.’*”

“I want you to know that *My ‘finest hour’* lies shortly upon you—even when I shall display to the God-despising, My handiwork in the earth.

“Man takes great pride in his exploits of science and space-conquering prowess, but these things are as a child’s toy in comparison to *what I have made*: even a man, a many-membered man in My image and likeness! There is nothing that man can do in his own power to compare with the work of My Hands in preparing a people in whom the Spirit of the Lord will be pleased to *dwell in fullness*! Within them are all the answers that mankind has need of, and all the power to bring forth those answers! In these, I shall be greatly glorified and man’s works shall seem as child’s play when men see what I have wrought in earthen vessels who have been obedient unto My Word.”

“Looking unto Jesus the author and finisher of our faith; who *for the joy that was set before Him* endured the cross, despising the shame, and is set down at the right hand of the throne of God.” (Hebrews 12:2).

"Seek Me with weeping, fasting and a contrite heart. I will save individuals and you shall shine like the stars forever. Repent, oh nations!"

PROPHECY My Full Judgment

Word of the Lord through Susan Perkins McNally September 7. 1994

My beloved and peculiar treasure, yea, those whom I have redeemed. Hear the words of My mouth. That which is happening in the United States will astonish the whole world as My full judgment comes upon your land. The erratic weather will be specific judgment on specific areas as to their individual transgressions against Me.

The East coast will experience the cold breath of my wind. Just as they are cold and indifferent to My Spirit, so shall they be given to drink at My hand this cup of cold fury. As the inhabitants shake their heads in astonishment, this blast of My wind will bring them to their appointed time of reckoning as I force them to consider their ways as their lives come to a standstill.

The West coast which burns in its lust with their insatiable desires and perversions will experience great fires and drought. Their cities will go up in flames and their infrastructures collapse. Yes, the great quakes are coming as the earth shudders at their wickedness. The resultant fear and panic will cause great loss of lives!

Those areas that call upon Me in repentance can be spared certain aspects of My judgment, but the whole land will mourn. Yea, it is not just America that will be judged but the whole earth shall know that I the Lord God have done these marvels. All over the earth fighting and wars that were thought to be little skirmishes will turn into bloody battles and explosive wars. The cry of peace, peace will be a hollow echo in the face of great upheavals.

Since the world governments and financial systems have worshipped the demon of greed so shall their idols be toppled and their systems be brought down! Entire countries will go bankrupt overnight and default on their loans and obligations. The entire international banking system that has been built on greed, fraud, deceit and murder will crash. The dust of their defeat already hangs suspended in the air like a choking mist.

Your political structures in the United States will crumble as I reveal the sins and the nakedness of your elected officials. I will judge your leaders who have shaken their fists at Heaven and profaned My Name and mocked the Son of My Love, Jesus. The White House will become a deserted mausoleum as in an abandoned cemetery, as My judgment comes upon this house of "blood and perversion." For truly I will recall the great evil that has been spoken against Me and My children and all the evil schemes and devices that your leaders have thrust out against My people, the Body of Christ. They will bring a swift rebuke against your leaders and they shall tremble in great fear as My fury passes by them. If their hearts are pure they will not be touched. If their thoughts and deeds are wicked they shall be consumed.

Like vomit, the land will heave out this great evil and the floods of my displeasure will wash the filth and defilement out of the way. Be certain that life as you have known it and as it has been in the past when this nation walked in My judgments, putting Me first, cannot be regained until all the evil roots and fruits have been laid waste.

Fear not, My Beloved, and be not dismayed; for that which I do always results in redemption. Only the power of My Spirit and My Great Name can deliver you and your nation. Draw close to Me. Intercede for your brethren. Let your eyes be filled with tears and your heart with intercession. Stand in the power of My might, in the Name of Jesus, and don't be intimidated by the threats and schemes of dying men.

Yes, the time is short, and you shall truly see the sustaining power of My majesty as you abide in Me. I will not leave you or forsake you. Be bold and of good courage, for it is I the Lord that goes before you!

The Prophetic Judgment of Those In Secret Societies

Scott Hofstee

September 3, 2001

To all of you who dwell in the secret institutions of the earth, your punishment will be the greater. You have brought about death and destruction every place you have gone. You have judged with a sour stomach. Your bitterness has known no shame. You have poured scorn from a bitter cup and shown no mercy, so no mercy will be shown to you. You have sown seeds of dandelion and that shall be your harvest, but there are many among you who know Me because you have judged all your life, but your judgments were not from Me. You judged to save Babylon. You have tried to make your world a better place and forgot I created this world. You have tried to save the world and your own world for the sake of vanity. You have no power to save nor to judge. Who shall save you? Certainly not this world. Only I your God can save you. Tell the fathers of your institutions that you are leaving this world. Separate yourselves from this corruption and you shall be saved. I see My light in you, so separate yourself from your worldly institutions and come back to the land of your Father. Come dwell in My Spirit that I may love you and bring you home to Me. To you who have clothed themselves in uniform, you are an army of Judas. Woe to you sons of perdition. When did you see Me, your Lord, send guns and swords from the sky. You think yourselves lords of the earth and that is all you are, you are protectors of soil and weeds. You know nothing of My kingdom. Do you not know it was I who created the earth, that you now think you own? I AM the author of life not you. Woe to you who give orders to the armies of the world, I will scorch the land you so long to own. I AM God alone and who shall dare to stand against My angelic army. I AM about to bring heaven down to you because it is My love. It is My plan and it is My will. Woe to you soldiers of Judas. Why do you say thy will be done on earth as it is in heaven and then do the will of the great serpent? Can you not see in My language that it is I your God that speaks? Listen, I say to you, open your ears, I no longer plead or warn you, I command you to listen. Separate yourselves from your serpent, Satan and return to Me. Only I your God can give you life. Do not deceive yourselves or be deceived, you are in the army of the lost. I hear you say, but they shall kill me? So where is your courage now? If you die, remember you die for Me, no greater love has any man that he lays down his life for his friend. I AM your friend and I AM your God.

PROPHECY TO THE PENTAGON

I am against your plans to make war against My people and My land. Is it a small thing in your eyes for you to make war against Me? saith the Lord. You trust in the technology of the “Fallen Ones” and the hidden and secret weapons that you believe will keep you safe. Has it not dawned on you that, as you study in your war colleges, that *betrayal and destruction have come from traitors within and armies without?*

The son of perdition has been a liar since the beginning of time and, as all empires before you have fallen, littering in the pages of history, so will yours. Your lives in an instant will flash before you. Repent and turn away from your evil schemes. Just as Judas sold My Son Jesus out for thirty pieces of silver, so have you sold Me out! For it is I, the Living God, Who gave you the victories over your foreign enemies when you sought to preserve that which was just. *Are you so deceived and seduced that you cannot see the illuminated ones will turn on you and utterly consume you, and their promises will fail to give you your expected outcome?*

PROPHECY TO THE GATE OPENERS

I ask you a simple question. Who do you think bound the demons and the fallen angels that you seek so feverishly to loose in the first place? For it was I, the Living God, out of the love for My creation (mankind) that bound them at the first time and will seal them in eternal chains the final time.

The promise of eternal life apart from Me will not deliver you from My wrath and My judgments. And now I say to My Generals, Colonels, Majors and Captains, and all of those who still call themselves by My name to the fighting men and women - let not your heart's be troubled. For I will strip the veneer off those who feign to serve Me *so you can see the evil one's plans behind those who send you to your death.*

The time is at hand that you will have to do what I have put in your heart to do. You will have to *resist the orders* that have been given to you *to destroy your brethren, in your own country, with all that is within your reach.* I will lay out My plans clearly before you in dreams and visions and Holy Angelic encounters. For I, the Lord, will protect and provide for your families as you seek Me in prayer and fasting, and seek Me with all your hearts.

Jesus Says, "Make My Day, Illuminati!"

Garrett Crawford - 3/12/07

I was in this huge, secret underground bunker deep in the Earth. It was a place of good, not evil. All the inhabitants/scientists who worked there were in white lab coats. They were trying to keep this place a secret from evil men, the Illuminati. This was the place where Jesus Christ dwelled, it was his home. (The Illuminati thought that if they could take over this underground control center they would have control of what lived there as well, which was Jesus Christ.) The Illuminati had somehow found out where this place was and sent its minions there. They quickly took control of this huge bunker; they had machine guns and wore black military uniforms. The good scientists that worked there told me this bunker had to be destroyed now because the CFR and another group (which I can't recall) found it and it was no longer secret. I was a little shocked because this place was so big, modern and full of hi-tech equipment, but I guess it was the best thing to do considering the circumstances. After the military men took total control of this compound and took all the scientists prisoner, they were pretty full of themselves. They thought that they had basically won, but they still had one more thing to do, and that was to wait for Jesus to come back (this was his dwelling place) so they could trap him. After a while of standing around with the men in the main area (which was HUGE, both in length and height) all the sirens started going off and red warning lights started to flash. All the men became struck with fear. I heard one of the men say, "It's Jesus! He's coming! Hide!" At that moment, the commander told all the men to fall back and hide in the rooms that were off to the side. Everyone ran to the doors and closed the blast doors. So there I was, standing all alone in this huge place, all alone with sirens and lights going off. I knew something big was about to happen. I looked down this huge tunnel and saw something coming. The cameras in the tunnel quickly turned all at once to the direction where this thing was coming from -- the anticipation was incredible. All of a sudden I saw a huge, powerful being come through the tunnel and enter into the bay area where I was standing. It was above me and I was in awe as I stared at it. It was Jesus Christ, but it was not in the form of a man. It was in the form of an invincible metallic cloud that looked like liquid mercury. It was just floating in the air near the top of the ceiling which was like 250 feet high. I was overwhelmed by the site of this; its power and strength were incredible. It was like the ultimate war machine but it was also very peaceful and calm. As I was looking at this I was like, 'There is no way those Illuminati military men could stand a chance against this thing, what were they thinking?!' I understood that this being could not be trapped or taken prisoner like those military men had thought; it was just too powerful and invincible. I continued to stare at it and then I woke up.

Note from David: The underground bunker is in the hearts of the elect. The Illuminati will find this hideout but they can't do anything about. He is too big and elusive. :o) All you who are studying the Illuminati better study Jesus; to be found in Him.

Update from Garrett the next day: That dream makes me think about in Revelation when the men of the world gather to fight against the lamb, but when he comes they run in fear and hide, calling for the rocks to fall on them. (The soldiers in the dream were ready to fight and trap Christ if possible, but once they heard Christ coming they ran and hid themselves! lol) The sirens that went off that told the men that Christ is coming made me think of the trumpet or the loud shout that comes before Christ comes back. The way Christ was portrayed to me was totally spiritual and symbolic, it was like a invincible metallic cloud of pure power in which nothing could defeat. It was like an unleashed attack dog ready for war, all the while looking so calm and gentle, it was amazing to behold.

What Is Man That Thou Art Mindful of Him?

Antares is the 15th brightest star in the sky. It is more than 1000 light years away.

The universe is so vast it is not comprehensible by the human mind. It would be like an ant trying to understand the wonder of the Internet. It can't be done. The universe humbles us as it should. <http://www.ubm1.org/?page=jesussays>
